VOLUME 1-NUMBER 157

PADUCAH, KENTUCKY, SATURDAY, MARCH 13, 1897.

TEN CENTS A WEEK

IT IS HUNTER.

Nominated For Senator On the First Ballot.

THE SITUATION IN GREECE.

Furious Storms Along the Share Of Lake Superior.

MISSISSIPPI AT

Frenkfort, March 13, ... Dr. W. G Hunter was numinated for Senator by the Republican cancus this moreing me the Bist Ballot.

tast night's, session was a secret one, and no one but actual members were admitted to the floor. Nonimetrog speeches were made and the following condulates were presented Ex-Cong. essmin John W. Lewis.

of Springfield. Dr. W. G. Hunter, of Combedand

St. John Hoyle, of Louisville. dulge W. H. Holl, of Frankfort, Jesty. After a session lesting until nearly | 11 o'clock, the cancus adjourned until 9 p'e ock this morning.

All Republicant lembers spoke in f. or of bamoay, and pledged emselves to support the caucus nomalice.

This morning Hunter was nomi nated on the first ballot, the vote being as follows:

Hupter, 38 Holt, 16. Lanis, S. Itoyle, 4.

Yether, 2.

All ther lim the Shouting.

Frankfort March 13. - Hunte morrongs. He will be elected epolly. and it is believed to be all over but the shouting. The Henten es have decided not to take a led a roday, and Tuesday, March 2a. The Blackboon camp is deserted, and all passent indications mak Ibinter's election as a thing to be accomplished hands down,

RUMORS OF LOSS OF LIFE.

St. Paul, Minn., March 13 .- Reports from the log storm of vesterday have been coming in faster than the rulliond trains, for these are generally delayed or blockaded and it will be several days before all roads are again in good annuing order. Reports from all parts of South Diekida today gave evidence of the Son e lines are builed storm's fury. beneath ten to lifteen feet of snow, and drifts are miles in length.

An Ashland, Wis , special says It is removed that numerous lives were lost in the great blizzerd that swept the shore of Lake superior last be of of forty-three feet, which is a night. The storm came from the Nortlewest, piling the lee lifty feet high on the Apostle Islands and other points on the south shore of the Ashland is from four to six feet deep. Railway traffic is almost at a stand- So everport and New Orleans the river

At 7 two-leuths of covering that mark, and wool are concerned, American wool the figures 45 will be submerged below the surface of the rising Ohio, to Some American wool growers do not, be seen no more until the river falls. and say that their only correct opinion is that the river is most certainly coarse wool, and that are not adapted going to come higher or strike n to much else. It is abundantly receding movement very soon. That proven by experience that high daties a is certain fact. The Ohlo is rising apon wool do not result in high prices all the way from Cincinnati down, for genuine woolen goods. Quality and both the Cumberland and Tennessee rivers continue to come up. But, as the hig Mississippi is declinday, after nearly four years of "free ing, it will draw out of the Ohio a sufficient amount of water to protect this section against the water that is on its way down as well as that which is coming out of the tributa-

EVENING DRESSES.

ries. The gange registered this

How Women Can Make Grer Some Which With the opera begun and the purty eason beginning we must look to our rocks or made into sofa cushlons.

Nothing is shabbler than a dliapldnted evening dress. Many women do out realize how quickly the ribbons and

imple, a white ribbon, fresh, against s white silk dress old, makes the whole garment to seem patchy. Purple of green or yellow or idee ribbons next to the white gown will produce an effect entirely smart if the silk has been frus-

Sometimes it is well to sponge an evening frock with a soap-barley water. If the material is heavy and the folds can be unripped and icft wrapped until dry around broomstick handles the plan may be tried. When the allk is light in weight and uncertain in color a benzine bath preparatory to a refashioning over a rather stiff muslin and cambric lining

should be considered. Some gowns this winter are sleeveless but a woman must be sure that her arms are perfect before she plans to reveal them. And that her dress is peautiful enough to bear severe criticism. Any etyle in small puffs or but terfly designs will be in order. Really large alcoves are distinctly out of fash con. Last evening I noticed some upor an evening gown at the theater, and

they seemed amusingly old. This is a fearful pace we are living at in these times in everything and fashlons. But it is so simple a thing to perk up last season's sleeves into this one's no one need worry about that. Amateur dressmakers will find that

best effects in the greatest number of evening fabrics come from a liberal use of an inner sliffening-grass linen, mus lin, even tarlatan. Hair cloth has little in common with silks. Among hints especially to remember about worn silks is this-that a fabrio

converted into a lovely ball toilet simply by covering loosely with tuile, chif-fon or net in the same or a contrasting Broadly speaking, ball gowns this year are of draped sllks, dinner and re-

ception costumes are of brocades. Even the debutantes are wearing brocades. There is a wide demand for them. They rage in all degrees of modesty, tiny self-colored or contrasting flowers, up to huge flaming bouquets upon everyhued background .- St. Louis Republi BUCKWHEAT CAKES.

Pennsylvanians Think Good (Ince Can Be Found Only In Their States A letter from the old furm contain this information: "Buckwheat is a great crop Hils season, splendid yield, uine buckwheat cake during the next 12 months or expect to inhale the deidea in their heads, and that is that wheat griddle during the rest of his licious aroma from a smoking bucknatural life, but he gets a great mensure small.
